

# Give an hour and make a difference!

**EMERGENCY MEDICINE  
POLITICAL ACTION COMMITTEE  
OF ILLINOIS**

**Illinois EMPAC is asking you to “give an hour” in 2010 to help with statewide legislative efforts.**

**Donate the monetary equivalent of one hour of work to EMPAC today: There’s greater power for change during an election year. With your help, we can make a difference at the polls in November!**

EMPAC is the state political action committee of the Illinois College of Emergency Physicians. It contributes to candidates for state office who support the views of emergency medicine and the medical profession. EMPAC is governed by a Board of Trustees which directs the organization’s contributions — making contributions to members of both political parties. The EMPAC Board works with ICEP’s lobbyists and staff to identify candidates for statewide office who are sympathetic to the concerns of emergency physicians and patients seeking emergency care.

#### **How to Make a Donation**

Visit the EMPAC Booth today or call ICEP at 630.495.6400. Staff can take your donation information and apply your contribution at any time.

Contributions may be made via check (made payable to EMPAC) or credit card.

**Help us make a difference.**

A copy of our report filed with the State Board of Elections is (or will be) available for purchase from the State Board of Elections, Springfield, Illinois. Contributions or gifts to the organization are not deductible as charitable contributions for federal income tax purposes.
