June 13, 2008, Oakbrook Terrace (afternoon session)

Keep your ITLS Instructor Status active ...

ITLS Illinois Instructors are invited to keep their instructor status active by attending an Instructor Update. Master all of the latest information and updates to the ITLS curriculum published in the 6th Edition ITLS Provider Manual to pass on to students!

Updates will be offered throughout Illinois to make it easy for all ITLS Illinois Instructors to attend. The cost of the course is \$25. New instructor cards will be issued at the conclusion of the course.

Space is limited. On-site registrations will be accepted on a space-available basis.

Instructor Update Overview

All morning sessions will be held from 9:00 AM - 12:00 PM. The December 7 session in Rockford and June 13 session in Oakbrook Terrace will be held from 1:00 - 4:00 PM.

In addition to learning the latest updates to the ITLS curriculum, Instructors will also be briefed on the new ITLS online course management system (CMS). Effective January 1, 2008, course coordinators will use the new CMS to register, report, and print cards for courses.

As the Instructor Update will be offered in eight locations, the same schedule will be followed but speakers will vary.
