# Spring SYMPOSIUM

The Illinois College of Emergency Physicians' Spring Symposium is the premier annual event for members, non-member physicians, EM residents, and medical students.

## Highlights of the 2013 Spring Symposium:

- **Kevin M. Klauer, DO, FACEP**, Vice Speaker of the ACEP Council, will incorporate current literature into practice to improve the quality and efficiency of care delivery and develop strategies to improve patient safety.
- **Jaewon Ryu, MD, JD**, will analyze delivery systems and payment changes as it impacts emergency physicians, outlining evolving trends in health industry payment changes as well as components of value-based purchasing.
- **Matthew Piroette, MD**, winner of the 2012 NEXT Forum, will describe the problems of difficult vascular access and illustrate alternate routes of drug delivery, including intraosseous access.
- **A Statewide Research Showcase** will spotlight cutting-edge emergency medicine research conducted by Illinois investigators. Oral presentations will be given during a morning session, and research posters will be on display in the exhibit area.

**We look forward to seeing you in May!**
