CONTINUING MEDICAL EDUCATION

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and the Illinois College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 5.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 5.5 hours of ACEP Category I credit.

This course provides 1 hour of trauma topics. The Illinois Emergency Medical Services and Trauma code states that Emergency Physicians working in Level I or Level II trauma centers must have 10 hours of approved AMA or AOA trauma CME per year.

DECEMBER 2, 2015**

**ICEP Conference Center
Downers Grove, IL**

WHAT YOU'LL COVER:

- Pelvic
- Gallbladder
- AAA
- FAST Exam
- Central Line
- Peripheral IVs

PRESENTED BY THE ILLINOIS COLLEGE OF EMERGENCY PHYSICIANS
WITH THE AMERICAN COLLEGE OF EMERGENCY PHYSICIANS

Hands-on workshops for bedside ultrasound in emergency medicine

ICEP presents two interactive course options -- choose based on your experience:

BASIC COURSE

TARGET AUDIENCE: Physicians with limited or minimal experience, seeking both didactic lectures and hands-on practice on ultrasound techniques

FAST TRACK COURSE

TARGET AUDIENCE: Physicians with prior ultrasound experience seeking hands-on practice only. The Fast Track Course does not include didactic lectures. Registrants will work hands-on at skill stations the entire course to maximize practice.

Prior ultrasound experience or completion of ICEP's Basic Course is required for registration.

Program Objectives

- To perform hands-on principles of emergency bedside ultrasound such as AAA, FAST and pelvic exam
- To demonstrate the use of bedside ultrasound to diagnose acute life-threatening conditions, guide invasive procedures, treat emergency medical conditions, and improve the care of emergency department patients

BASIC COURSE AGENDA

7:15 am – 7:45 am

Registration & Continental Breakfast

7:45 am – 7:50 am

Welcome & Introduction

Robert P. Rifenburg, DO, RDMS, FACEP

Course Director; Associate Residency Director, Emergency Medicine Residency, Presence Resurrection Medical Center; Assistant Professor, Department of Emergency Medicine, University of Illinois at Chicago; Fellowship Director, Emergency Ultrasonography, Presence Resurrection Medical Center; Chicago, IL

7:50 am – 8:20 am

Ultrasound Basics & Knobology

Dr. Rifenburg

8:20 am – 8:50 am

Pelvic Ultrasonography

Dr. Rifenburg

8:50 am – 9:20 am

FAST Exam

Monika Lusiak, MD

Ultrasound Faculty, Presence Resurrection Medical Center; Chicago, IL

9:20 am – 9:30 am

Break

9:30 am – 10:00 am

Gallbladder

Joseph Colla, MD, RDMS

Clinical Associate Professor and Ultrasound Fellowship Director, Department of Emergency Medicine, University of Illinois at Chicago; Chicago, IL
