**Target Audience:** Emergency Medicine Physicians, Trauma Surgeons, Advance Practice Nurses, Pre-Hospital Personnel, ED, ICU and Trauma Nurses

**Learning Objectives** – At the completion of this activity the participant should be able to:

- Discuss new developments in assessing, diagnosing, stabilizing and managing a variety of traumatic wounds.
- Apply concepts from trauma case studies to the practice setting, both within emergency departments and in pre-hospital settings.
- Describe strategies to improve overall safety and reduce violence in the ED.
- List warning signs for potential violence in the ED and ways to respond.
- Describe the importance of self-care in maintaining personal health and wellness.
- Explain physiological and emotional benefits of laughter and practice techniques to reduce stress.
- Summarize the importance of mentorship and the opportunities it offers for professional development.
- Describe the effect of touch in influencing health and wellness.

**Format:** Lecture, Case-Based Discussion and Q&A

**Disclosure:** Acknowledgement of all disclosures, i.e., nothing to disclose or the existence of relevant financial relationships, will be made at the activity. Conflicts of interest will be identified and resolved prior to the activity.

**Financial Support:** Acknowledgement of educational grants will be made at the activity.

**Accreditation Statement:** Advocate Health Care is accredited by the Accreditation Council for Continuing Medical Education (ACCME) to provide continuing medical education for physicians.

**Credit Designation Statement:** Advocate Health Care designates this live activity for a maximum of 15.50 AMA PRA Category 1 credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

**Nursing Accreditation and Credit Designation:** Continuing Medical Education (CME) as authorized by the Illinois Medical Practice Act is an approved sponsor for Illinois RN re-licensure. One (1) CME hour is equivalent to one (1) contact hour according to Part 1300 of the Illinois Nurse Practice Act, Section 1300.30. 15.50 contact hours will be awarded upon successful completion of the program. Criteria for successful completion for nurses: completion of the evaluation and attendance of the entire event.

**EMS:** An IDPH EMS CE site code has been applied for
