*Limited space is available.*

THE UNIVERSITY OF  
CHICAGO MEDICINE  
UCAN

AT THE FOREFRONT  
OF CRITICAL CARE TRANSPORT<sup>SM</sup>

## Conference Overview

Critical care and emergency care concepts are continually evolving. Join us for a full day of presentations exploring current practice recommendations that will lead to optimized patient care.

## Learning Objectives

- Review assessment priorities for the critically ill and injured patient.
- Discuss current trends in critical care management and treatment modalities.
- Identify clinical scenarios that present with covert signs and symptoms of (early) missed diagnoses.

## Target Audience

The intended audience for the conference is physicians and specialists in Emergency Medicine and Intensive Care, as well as nurses and pre-hospital professionals who treat and manage emergency and critical care patients.

## Accreditation and Credit Designation

### Physicians:

This activity has been planned and implemented in accordance with the Essential Areas and Policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and Illinois College of Emergency Physicians and University of Chicago Medical Center. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 6.00 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 6.00 hour(s) of ACEP Category I credit.

### Nurses and Pre-Hospital Care Professionals:

**6.0 contact hours for nurses** have been approved by the State of California Board of Nursing, CEP 13532. Indiana, Illinois, and most other states accept CE for license renewal that has been approved by the California Board of Nursing.

**6.0 contact hours for EMS professionals** have been approved by the Illinois Department of Public Health (IDPH), Division of EMS – Site Code 111300E2015 and Methodist Northlake EMS System (Indiana) for paramedics. Most states recognize CE credit for license renewal that has been approved by these EMS agencies.
