In accordance with the ACCME Standards for Commercial Support and policy of the American College of Emergency Physicians, all individuals with control over CME content (including but not limited to staff, planners, reviewers, and faculty) must disclose whether or not they have any relevant financial relationship(s) to learners prior to the start of the activity.

These individuals have indicated, that they have a relationship which, in the context of their involvement in the CME activity, could be perceived by some as a real or apparent conflict of interest (eg, ownership of stock, grants, honoraria, or consulting fees), but these individuals do not consider that it will influence the CME activity.

Name	Nature of Relationship	Company
Janet Lin, MD, MPH	Funding for an implementation project	Gilead Sciences

All remaining individuals with control over CME content have no significant financial interests or relationships to disclose.
