Cost: \$99

Register early - space is limited!

10:45 AM - 11:30 AM

The Top 10 EM Articles from 2018

Dr. Hafner

OBJECTIVES:

- Review current literature to outline important advances in emergency medicine from key articles in 2018
- Analyze the implications and limitations of the studies on the practice of clinical emergency medicine

11:30 AM - 12:30 PM

Lunch and Product Showcase

12:30 PM - 12:45 PM

Break and Last Chance to Visit Exhibits

12:45 PM - 1:45 PM

Tainted Spice: Superwarfarins and Management of Vitamin K Antagonist Related Bleeding

Michael Mullins, MD, FACEP, FAACT

Medical Toxicologist, Associate Professor, Division of Emergency Medicine, Washington University School of Medicine; St. Louis, Missouri

Erik Wright, MD

Attending Physician, OSF Saint Francis Medical Center; Peoria, IL

OBJECTIVES:

- Understand the mechanism of action of synthetic cannabinoids and of superwarfarins such as brodifacoum
- Describe the epidemiology, morbidity and mortality of the recent tainted synthetic cannabinoid outbreak
- Develop a treatment plan based on the information provided to treat superwarfarin-related bleeding

1:45 PM - 4:45 PM

Simulation Skills Workshop (optional)

Simulation Skills Workshop

Join ICEP in the afternoon in the state-of-the-art sim lab for hands-on skills practice. Spend 90 minutes at each module and earn a maximum of 3 AMA PRA Category 1 Credits™.

MODULES:

Trauma Simulation

Dr. Podolej

OBJECTIVES:

- Formulate a systematic approach to the evaluation of pediatric traumatic injury
- Apply at least three 2018 ATLS updates in the management of the trauma patient
- Utilize a team-based approach to caring for the trauma patient

Pediatric Sepsis Simulation

Brian Bamberger, MD, MPH

Simulation Fellow, JUMP Trading Simulation and Education Center; Peoria, IL

OBJECTIVES:

- Recognize vital sign abnormalities and clinical presentations of pediatric sepsis
- Perform an age-appropriate sepsis workup
- Choose appropriate empiric antibiotic therapy based on patient age

Add on to your EM Update registration or attend the Sim Workshop only!

Continuing Medical Education

Physicians -- This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and the Illinois College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 6.0 *AMA PRA Category 1 Credits*TM. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 6.0 hours of ACEP Category I credit.

Nurses -- The American Nurses Credentialing Center's Commission on Certification will accept CME credit for 50 percent of a registered nurse's certification requirements.

EMT and Prehospital/RN/ECRN -- This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) for a maximum of 6.0 continuing education hours (CEH).

This conference provides 1.5 hours of pediatric topics that can be used in hospitals recognized in Illinois as a Pediatric Critical Care Center (PCCC), Emergency Departments Approved for Pediatrics (EDAP) and Standby Emergency Departments approved for Pediatrics (SEDP).

This conference provides 1.5 hours of trauma topics. The Illinois Emergency Medical Services and Trauma code states that Emergency Physicians working in Level I or Level II trauma centers must have 10 hours of approved AMA or AOA trauma CME per year.

Cancellation Policy: Because of the high costs associated with conducting this course, no cancellations will be honored. Substitute registrants will be accepted.
