Resident Career Day 2019

Looking ahead to the next phase of your career? Get ready for everything that comes next -- from leadership skills to quality improvement programs to the cases that can make or break your career -- with ICEP's program designed to provide resources and advice to residents, medical students and young physicians as they embark on their emergency medicine careers.

Let's face it: Life after residency brings a new set of challenges. ICEP's Resident Career Day focuses on giving you the tools you need to meet these challenges head on and turn them into opportunities.
