Focus on:
COVID-19 in Children for Emergency Medicine • Pediatric Sedation in the ED • Best Practices for Traumatic Spinal Injury • Top 10 EM Articles of 2020 • Reversing Direct Oral Anticoagulants in the ED • ICEP Update

Thursday, February 11, 2021 • Live on Zoom

Earn pediatric & trauma CE hours to fulfill your state requirements!

REGISTER NOW: ICEP.ORG
ICEP’s winter CME conference is virtual and better than ever. Emergency Medicine Update is a multifaceted educational program for all emergency care providers — and you don’t have to leave your house to tune in live.

Target Audience: Physicians, residents, physician assistants and other advanced practitioners, all levels of nurses, EMS providers, and medical students

Program Agenda

7:45 AM - 8:00 AM
Zoom Sign-On & Registration

8:00 AM - 8:10 AM
Welcome and Opening Remarks
John W. Hafner, Jr., MD, MPH, FACEP, Co-Chair
Residency Director, Clinical Associate Professor Emergency Medicine, University of Illinois College of Medicine at Peoria; Attending Physician, Department of Emergency Medicine, OSF Saint Francis Medical Center; Peoria, IL
Greg Podolej, MD, Co-Chair
Assistant Professor Emergency Medicine, University of Illinois College of Medicine at Peoria; Simulation Fellow, JUMP Trading Simulation and Education Center; Peoria, IL

8:10 AM - 8:55 AM
COVID-19 in Children: What EM Docs Need to Know
Jennifer M. Rosario, MD, FAAP
Assistant Professor, Department of Emergency Medicine, Southern Illinois University School of Medicine; Springfield, IL
OBJECTIVES:
• Describe the incidence and characteristics of COVID-19 infection in children as well as identification and management of its complications, such as COVID-related rashes and MIS-C

8:55 AM - 9:20 AM
Session Host Presentation & Break

9:20 AM - 9:50 AM
ICEP Update
Henry Pitzele, MD, FACEP
President, Illinois College of Emergency Physicians; Chicago, IL
OBJECTIVE:
• Describe current issues and challenges facing the Illinois College of Emergency Physicians and the American College of Emergency Physicians

9:50 AM - 10:00 AM
Session Host Presentation & Break

10:00 AM - 10:45 AM
Rockabye Baby: Pediatric Sedation in the Emergency Department
Brad A. Stone, DO
Clinical Assistant Professor, Director of Wellness Education, University of Illinois College of Medicine Peoria Emergency Medicine Residency; Peoria, IL
OBJECTIVES:
• Discuss indications for pediatric sedation in the emergency department
• Review medication options, dosing, routes of administration, and their advantages and disadvantages
• Discuss how to choose an appropriate medication for the procedure to be performed

10:45 AM - 11:00 AM
Session Host Presentation & Break
Changing Course: Reversing Direct Oral Anticoagulants in the Emergency Department

How effectively are you managing DOAC-associated life-threatening bleeds in your emergency department?

Management of patients who require rapid reversal of urgent DOAC-associated bleeding is challenging. This CME activity will provide you with the tools you need to deliver individualized, safe, and effective care for these patients.

Program Overview
The development of direct oral anticoagulants (DOACs) has advanced the therapeutic landscape for the management of thromboembolic events. Specific agents that rapidly reverse the effects of DOACs are now available and offer safe and effective options for patients who experience an emergency DOAC-associated bleeding event.

OBJECTIVES:
Upon completion of this activity, learners should be better able to:

- IDENTIFY the signs and symptoms of severe bleeding in patients receiving DOAC therapy
- ASSESS anticoagulant activity in individuals who present with DOAC-associated bleeding or who require emergency surgery
- DETERMINE appropriate reversal agents based on the type of anticoagulant, dose, timing of last dose, and indication
- IMPLEMENT local protocols for evaluating patients and managing DOAC-associated bleeding

Continuing Medical Education

EMERGENCY MEDICINE UPDATE

Physicians -- This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education through the joint providership of the American College of Emergency Physicians and the Illinois College of Emergency Physicians. The American College of Emergency Physicians is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 3.5 AMA PRA Category 1 Credits™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for a maximum of 3.5 hours of ACEP Category I credit.

Nurses -- The American Nurses Credentialing Center’s Commission on Certification will accept CME credit for 50 percent of a registered nurse’s certification requirements.

EMT and Prehospital/RN/ECRN -- This continuing education activity is approved by the Commission on Accreditation for Pre-Hospital Continuing Education (CAPCE) for a maximum of 3.5 continuing education hours (CEH).

This conference provides 1.5 hours of pediatric topics that can be used in hospitals recognized in Illinois as a Pediatric Critical Care Center (PCCC), Emergency Departments Approved for Pediatrics (EDAP) and Standby Emergency Departments approved for Pediatrics (SEDAP). This conference provides 0.75 hours of trauma topics. The Illinois Emergency Medical Services and Trauma code states that Emergency Physicians working in Level I or Level II trauma centers must have 10 hours of approved AMA or AOA trauma CME per year.

CHANGING COURSE: REVERSING DIRECT ORAL ANTICOAGULANTS IN THE EMERGENCY DEPARTMENT

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the Accreditation Council for Continuing Medical Education (ACCME) through the joint providership of the American College of Emergency Physicians, Spire Learning, and the Illinois Chapter of the American College of Emergency Physicians. The American College of Emergency Physicians is accredited by the ACCME to provide continuing medical education for physicians.

The American College of Emergency Physicians designates this live activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Approved by the American College of Emergency Physicians for 1.0 hour(s) of ACEP Category I credit.
