Disclosure of Financial Relationships

In accordance with the ACCME Standards for Integrity and Independence in Accredited Continuing Education, **all** relevant financial relationships, **and** the absence of relevant financial relationships, must be disclosed to learners for all individuals in control of content:

- Before learners engage with the accredited education
- In a format that can be verified at the time of accreditation

The following individuals have reported relationships with ineligible companies, as defined by the ACCME. These relationships, in the context of their involvement in the CME activity, could be perceived by some as a real or apparent conflict of interest. All relevant financial relationships have been mitigated to ensure that no commercial bias has been inserted into the educational content.

Individual	Company Name	Type of Relationship
Janet Lin, MD, MPH, MBA, FACEP	NovoNordisk	Other – Grant Funding for Research Project

ICEP SPRING SYMPOSIUM 2021

Technology in the ED & How it Informs Current
Practice of Emergency Medicine

All remaining individuals with control over content have no relevant financial relationships to disclose.

Disclosure of Commercial support

In accordance with the Standards for Integrity and Independence in Accredited Continuing Education, the source of all support OR lack of support from ineligible companies, as defined by the ACCME (including “in-kind” support), must also be disclosed to learners prior to engaging with accredited content.

**Commercial support was received from
AstraZeneca and Vituity**
