SPEAKERS

From the Missing Square to 50 Years of Foundational Care

John Lumpkin, MD, MPH, FACEP, FAAN will address his personal story and provide his historical perspective of clinical practice advanced through ICEP and the state. During the presentation Dr. Lumpkin will address how emergency medicine intersects with population health.

Articles That Changed the Practice of Emergency Medicine

John W. Hafner, Jr., MD, MPH, FACEP will review and describe the top 5 articles that have changed the face of emergency physicians over the years. During the presentation, Dr. Hafner will analyze the implications and limitations of the studies on the practice of clinical emergency medicine.

Where is ACEP?

Christopher S. Kang, MD, FACEP will discuss the COVID-19 pandemic and living through a historic time when it feels like everything is being challenged, from values and individual and collective identities to communities and social norms; and healthcare as well as clinical practices and professional organizations. Dr. Kang will dive further into where ACEP is - now, in the coming years, and with and for you.
