Mercyhealth is a regional health system with over 500 employed physicians, 6 hospitals, 85 primary and specialty care locations in northern Illinois and southern Wisconsin. Our 7,000 employees fulfill Mercyhealth's mission of providing exceptional health care services, with a passion for making lives better. As an integrated health system, Mercyhealth provides a unique range of health care needs through one continuum of care. To learn more, visit mercyhealthsystem.org.
