ILLINOIS COLLEGE OF EMERGENCY PHYSICIANS

Resident Career Day 2023

Looking ahead to the next phase of your career? Get ready for everything that comes next -- from leadership skills to quality improvement programs to the cases that can make or break your career -- with ICEP's program designed to provide resources and advice to residents, medical students and young physicians as they embark on their emergency medicine careers.

Let's face it: Life after residency brings a new set of challenges. ICEP's Resident Career Day focuses on giving you the tools you need to meet these challenges head on and turn them into opportunities.

THURSDAY, AUGUST 24, 2023

Finding a Job – Nuts & Bolts

Scott Heinrich, MD, FACEP

Board of Directors, Illinois College of Emergency Physicians, Residency Program Director, Associate Professor, Department of Emergency Medicine, RUSH Medical College, Chicago, Illinois

OBJECTIVE: How to find a job? We will discuss the job search process and how to be successful within your search. We will explore the timeline, items to have prepared, and resources available to help you get hired.

7:55 a.m. – 8:45 a.m.

EM Practice Styles – Career Panel

Moderators:

Dr. Gore

Dr. Fullmer

Academic:

Chrissy Babcock, MD, MSc, FACEP

Associate Dean of Graduate Medical Education/Designated, Institutional Official, University of Chicago Pritzker School of Medicine, Section of Emergency Medicine, Chicago, Illinois

Community:

Dan Magdziarz, DO

Attending Physician, Department of Emergency Medicine, Northwestern Medicine Palos Hospital, Palos Heights, Illinois

Locums Tenens:

Jamila Goldsmith, MD, FACEP

Attending Physician, Chair, ACEP Locum Tenens Section, Atlanta, Georgia

Fellowship:

Clare Desmond, MD, FACEP

Clinical Assistant Professor, Division of Emergency Medicine, Northshore University HealthSystem, Program Director, Medical, Simulation Fellowship, University of Chicago, Chicago, Illinois

OBJECTIVE: Emergency Medicine offers a wide array of practice styles and environments. A panel of attending physicians representing academic, community, locum tenens, and fellowship practices will give us insights into what makes their practice environment attractive and challenging.
