

Illinois College  
of Emergency Physicians

# The Ginny Kennedy Palys Annual Symposium

Thursday, May 2, 2024

Northwestern Memorial Hospital, Chicago, IL

The Illinois College of Emergency Physicians' presents:  
The Ginny Kennedy Palys Annual Symposium (formerly Spring Symposium)  
This year will be focusing on Pediatrics in Emergency Medicine. The  
Symposium is the premier annual event for members, non-member  
physicians, EM residents, and medical students.

**Program Meeting Booklet**

# SPEAKERS

## **Little Pipes, Big Problems: Unveiling Ductal Dependent Lesions in Pediatrics, Emily C. Dawson, MD**

This lecture is designed for emergency room healthcare professionals seeking to deepen their understanding of the critical nuances involved in caring for young patients with duct-dependent cardiac issues.

## **Minimizing Healthcare Induced Anxiety and Trauma for Pediatric Patients, Samantha Krawiec, CCLS**

This lecture will provide evidence-based strategies for emergency healthcare professionals to use when working with pediatric patients to promote optimal coping, alleviate anxiety, and minimize trauma children may experience in an emergency room visit.

## **Two Truths and a Lie, Alisa A. McQueen, MD, FACEP**

This lecture is designed to help take the emergency healthcare professionals' management of pediatric dermatologic conditions to the next level.

## **Non-accidental Pediatric Trauma, Kenneth L. Wilson, MD, FACS**

This lecture will center on penetrating pediatric trauma and resuscitation adjuncts for injured children.

# Conference Information

## ANNUAL BUSINESS MEETING

The annual business meeting will be held from 8:30 AM to 9:10 AM.

## AWARD PRESENTATIONS

Three ICEP members will be honored during the Ginny Kennedy Palys Annual Symposium for their contributions to the College and emergency medicine:

### **Christine Babcock, MD, MSc, FACEP**

Bill B. Smiley Award

### **Mark Cichon, DO, FACEP, FACOEP**

ICEP Meritorious Service Award

### **Gregory S. Podolej, MD, FACEP**

ICEP Downstate Member Service Award

The ICEP Scholarship Program recognizes four recipients for the 2024 Leadership Scholarship: Jacob Cabrejas, MD, Samantha Hay, MD, MPH, Alex Lucas, MD, and Edie Waskel, DO.

## LIVE ON X AND INSTAGRAM

Help us post the Symposium live! Follow and tag @ICEPemergency on X and Instagram. Join the conversation with #ICEPspring2024! We'll repost your content to share.

## WIFI

WiFi access for participants is available on the "NMGuest" network. No password is needed. Simply select it from your WiFi options and you will automatically connect.

## EVALUATIONS AND CLAIMING CME CREDIT

As a member-driven organization, we count on your input when planning future educational programs. To take the evaluation and receive CME credit for the Symposium, head over to [ICEP.org/gkp-annual-symposium](https://ICEP.org/gkp-annual-symposium) or use the following QR code:

Complete the online form by Tuesday, May 7, 2024. Your certificate will be sent within 4 weeks after ICEP receives your request.

## POWERPOINTS & RESEARCH E-BOOK

Presentation handouts and the 2024 Statewide Research Showcase eBook are available online. Please visit [ICEP.org/gkp-annual-symposium](https://ICEP.org/gkp-annual-symposium) to view all materials.

## VISIT THE EXHIBITORS CHALLENGE

You can enter to win the grand prize (\$50 Amazon gift card) by visiting at least 10 exhibitors from the orange raffle form. Visit 10 or more exhibitors on the card and have a rep sign the form. Turn completed cards into the registration desk by 11:45 AM. Two winners will be announced before the Resident Speaker Forum.

# STATEWIDE RESEARCH SHOWCASE

## SELECTED ORAL PRESENTATIONS

### **A Comparison of ESI and eCART at Discriminating Between High and Low Acuity Patients**

Brian Grice, MD, PhD, Ascension Resurrection Medical Center

### **Medical Jargon Is Often Misunderstood by Emergency Department Patients**

Kelly Landry, MD, Cook County Health

### **The Use of Ketamine for Prehospital Sedative Assisted Intubation**

Martin Pelletier, MS2, Chicago Medical School at Rosalind Franklin University

### **Prevalence of Undiagnosed Stage B Heart Failure in the Emergency Department**

David Vayngart, MS3, MPH, Rush University Medical Center

## SELECTED POSTER PRESENTATIONS

### **Usage and Clinical Impact of Point-of-Care Ultrasound Applications Among Emergency Medicine Residents and Early-Career Residency Graduates**

Kevin Boubouleix, MD, Cook County Health

### **Health Using Change Management to Implement a Novel End-of-Shift Assessment for Emergency Medicine Residents**

Kelsey Boyne, MD, Advocate Christ Medical Center

### **Trauma-informed Care Preparedness among Emergency Medicine Residents**

Devon Buddan, MD, Rush University Medical Center

### **Medical Student-Led Community-Based Training Leads to Increased Self-Reported Confidence in Life-Saving Bystander Interventions**

Nicholas Cozzi, MD, MBA, Rush University Medical Center

### **Resident Job Satisfaction and the COVID-19 Pandemic**

Bridget Dames, MD, Ascension Resurrection Medical Center

### **The Use of an ED Needs and Climate Survey to Assess Staff Empowerment After Implementation of an Anti-Racist Didactic Intervention**

Vinodinee Dissanayake, MD, MPH, Rush University Medical Center

### **Validity of a Novel Entrustable Professional Activities Based End of Shift Assessment**

Dima Jaber, MD, Advocate Christ Medical Center

### **Structured Resuscitation Elective for Emergency Medicine Residents**

George Obrochta, DO, Advocate Christ Medical Center

### **Decreased Prevalence of Escherichia Coli Found in Patients Discharged from the Emergency Department**

Carolyn O'Neill, DO, Ascension Resurrection Medical Center

### **Beyond Naloxone - Examining Addiction Medicine Interventions in an Urban Emergency Department Setting**

Maggie Schieber, PharmD, Rush University Medical Center

### **A Multi-Site Assessment of Physician and Nursing Knowledge and Attitudes About Care for Incarcerated Patients**

Michelle Suh, MD, University of Chicago

### **Analysis of Risk Factors for Inpatient Admission for Carbon Monoxide Poisoning**

Bernard Weigel, MD, Cook County Health

# RESIDENT SPEAKER FORUM

## **Decoding Rashes Across Different Shades**

presented by Tamara Amponsah, MD, Rush University Medical Center

## **Cardiogenic Shock in Neonate**

presented by Eric Bidinger, MD, Ascension Resurrection Medical Center

**Teach Me Like I'm Five** presented by Leslie Cachola, MD, Cook County Health

## **Peri-arrest Arrhythmia – Complications of Pediatric**

**Cardiomyopathy** presented by Ehitare Emuze, MD, Advocate Christ Medical Center

**Pediatric Hip Ultrasound** presented by Sam Schimke, MD, University of Illinois College of Medicine at Peoria

**Injuries in the High School Athlete** presented by John Sullivan, MD, Northwestern University McGaw Medical Center

**Pediatric Sinus Disease - Potts Puffy Tumor** presented by David Surace, DO, Franciscan Health-Olympia Fields

**The Kid Swallowed What?** presented by Katarina Rae Werst, DO, Loyola University Medical Center

# ANNUAL BUSINESS MEETING AGENDA

## **I. President's Report**

Howie K. Mell, MD, MPH, CPE, FACEP  
ICEP 2024-2027 Strategic Plan

## **II. Thank You to our Hosts, Sponsors and Exhibitors**

## **III. Recognition of Outgoing ICEP Board Members**

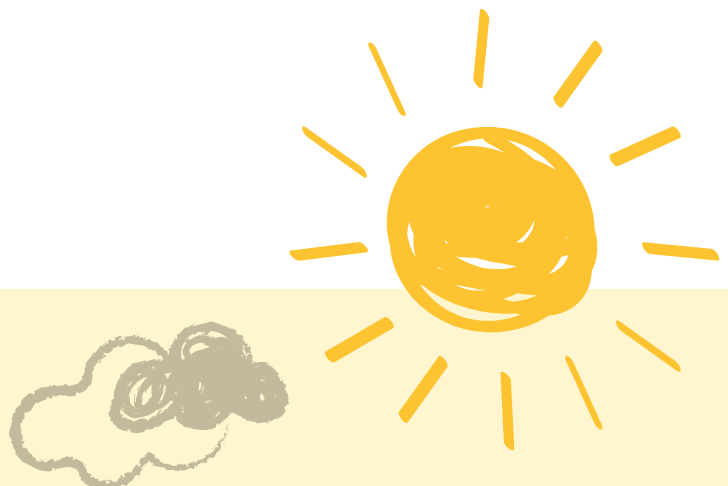

## **IV. Presentation of ICEP Awards**

- ICEP Downstate Member Service Award
- ICEP Meritorious Service Award
- ICEP Bill B. Smiley Award
- Leadership Scholars

## **V. Announcement of Board Election Results**

## **VI. Passing the Gavel**

## **VII. Adjournment**

ANDEXXA (coagulation factor Xa (recombinant), inactivated-zhzo) is a recombinant modified human factor XA (FXa) protein indicated for patients treated with rivaroxaban or apixaban, when reversal of anticoagulation is needed due to life-threatening or uncontrollable bleeding.

This indication is approved under accelerated approval based on the change from baseline in anti-FXa activity in healthy volunteers. An improvement in hemostasis has not been established. Continued approval for this indication may be contingent upon the results of studies that demonstrate an improvement in hemostasis in patients.

ANDEXXA has not been shown to be effective for, and is not indicated for, the treatment of bleeding related to FXa inhibitors other than apixaban or rivaroxaban.

Fisher & Paykel Healthcare, a world leader in heated humidification systems, introduces Optiflow™ for Nasal High Flow Therapy. In your Emergency Department, Optiflow™ delivers humidified gas, with or without supplemental oxygen, at flows up to 70 LPM for the treatment of your respiratory compromise patients. Clinical evidence proves that early implementation of Nasal High Flow Therapy, at flows up to 70L/min, can reduce escalation and risk of intubation. Reducing therapy escalation to mechanical ventilation (intubation/NIV) can provide fewer ICU admissions, improved bed flow and reduced ED boarders.

The first true PCR point-of-care device for STI that's all-in-one and requires no separate instrument or reader. Results in 28 minutes during the patient's visit help eliminate the guesswork of empirical medicine. With the confidence of a PCR result, clinicians can prescribe the correct treatment and engage in a clear, guiding discussion with the patient.

# ANNUAL BUSINESS MEETING MINUTES

The 2023 Annual Business Meeting of the Illinois College of Emergency Physicians (ICEP) was held May 25, 2023 at Northwestern Memorial Hospital in conjunction with the 2023 Ginny Kennedy Pallys Annual Symposium in Chicago, Illinois. President Jason A. Kegg, MD, CHSE, FACEP, called the meeting to order at 8:35 AM.

## I. President's Report

Dr. Kegg thanked all of the symposium hosts and sponsors for their generous support. Information was shared about the member survey, which everyone was encouraged to complete, and a link was provided.

Over 40 ICEP members were in attendance for our ICEP Advocacy Day held Thursday, March 9 in Springfield, Illinois. This was the first in-person Advocacy Day held in the last few years. Attendees included attendings, residents, and fellows along with ICEP's Lobbyist and Executive Director. The program included a diverse range of invited speakers, thoughtful discussions, an overview of how to connect with legislators, and briefing the legislative issues of focus: violence in the ED, boarding & crowding, physician expansion, and related EMS bills. Senator Jill Tracy (R), 50th District, joined the program to speak about the ICEP initiatives related to violence in the ED. After the program and lunch, the group headed over to the Capitol for their scheduled visits.

Highlights were shared from this year's ACEP Leadership & Advocacy Conference held earlier in May in Washington, DC. Members met with their local House representatives and meeting with our State Senators to advocate for 3 key issues: ED boarding, workplace violence and Medicare reimbursement.

Dr. Kegg provided an update on the latest federal and state legislation issues and topics of focus. A brief overview of ICEP's involvement with ACEP was highlighted.

Information was shared about upcoming ICEP programs and events including Resident Career Day and Virtual Oral Board Review Course. Other CME and presenter opportunities were shared.

## II. Recognitions of Outgoing Board Members & Volunteers

Dr. Kegg recognized ICEP's outgoing Board members: Janet Lin, MD, MPH, MBA, FACEP; Christine Babcock, MD, MSc, FACEP; Adam Rodos, MD, FACEP; Jack Wu, MD, FACEP; Sunil Arora, MD, MBA, FACEP; Sobia Ansari, MD, MPH and Resident Member Doreen Agboh, MD. All were thanked for their service to ICEP.

All ICEP volunteers and ICEP staff were recognized and thanked for their service and contributions to the organization.

## III. Recognition and Awards Presentation

### ICEP Leadership Scholarship Recipients

The ICEP Scholarship Program provides leadership development training to residents and young physicians in Illinois so they can participate in advocacy efforts at the local, state, and national levels. The program also provides opportunities to make lifelong connections, education mentoring, advocacy, and legislative experience.

The following were recognized:

- Jacob Trammel, MD, Southern Illinois University
- Alex Lucas, MD, Advocate Christ Medical Center (deferring to 2024)
- Rachel Schmalshof, MD, Southern Illinois University
- Nadija Rieser, MD, Advocate Christ Medical Center (deferred from 2022)

### ICEP Downstate Member Service Award

This award recognizes the contributions of a member who lives and works outside the metropolitan Chicago area. This year's recipient, Scott H. Pasichow, MD, MPH, FACEP, FAEMS, was recognized for his dedication and contributions to ICEP's advocacy efforts including helping to protect the physician-lead team and EMS medical director oversight of out-of-hospital care in the state of Illinois.

### ICEP Meritorious Service Award

This award is conferred on a member who has made a special contribution to ICEP through service, advocacy, education, and other contributions. This year's recipient Janet Lin, MD, MPH, MBA, FACEP, has served in many capacities to the organization including a Past President, Board of Directors member, Educational Meetings Committee Chair, Councillor, faculty, and more.

### Bill B. Smiley Award

This award honors an individual who has made a significant contribution to the advancement of emergency medicine in Illinois. This is ICEP's highest honor named in honor of one of ICEP's founders, Dr. Bill B. Smiley of Decatur, Illinois. This year's recipient John W. Hafner Jr., MD, MPH, FACEP, has been a lifelong member of ICEP and his service includes a Past President, Board of Director member, faculty, committees, Councillor, and much more.

## IV. Announcement of Board Election Results

The results of the 2023 election were announced. Congratulations to the following newly elected members by the ICEP membership to serve on the Board of Directors:

To serve a 3-year term:

- Joseph Palter, MD, Chicago
- Robert Tennill, MD, CHSE, FACEP, Springfield
- Kristen Donaldson, MD, MPH, FACEP, Chicago
- Monika Pitzele, MD, PhD, FACEP, Chicago

To serve a 1-year term: Trenika Williams, MD, Chicago – Resident Member

## V. Passing the Gavel

Dr. Babcock, outgoing Past President of ICEP, served as a stand in to officially pass the gavel. Dr. Kegg announced that the incoming 2023-2024 ICEP President is Howie Mell, MD, MPH, CPE, FACEP.

Dr. Babcock thanked outgoing 2022-2023 President Dr. Kegg for his service and leadership to ICEP. A brief video highlighting his years and service on the Board of Directors followed with a presentation of his award.

## VI. Adjournment

There being no further business, the meeting was adjourned at 9:35 AM.
